# Healing Garden

The Healing Garden at Pawnee Valley Community Hospital is a sanctuary for patients and their families during a patient's stay at the hospital. In the garden they can enjoy the beauty of nature in a tranquil meditative setting. This oasis will feature flowing waters and the calming sounds of a resurfacing waterfall. Surrounded by flowering plants and other restorative features among the beautiful walking paths, patients and their families can choose to relax on benches and bistro seating. During the cooler evenings of summer the Healing Garden will be well lit and accessible.

## Healing Pathways

To Sponsor a Legacy Brick Paver: With a gift of \$100, an individual will be honored with their name engraved on a brick paver that will line the pathway in the Healing Garden. See last page for details.

*A Flower is A Smile From Heaven.*

# Commemorative Gifts

Commemorating a special person with a gift to the Pawnee Valley Community Hospital Foundation provides a lasting tribute to a family member, friend, or loved one while contributing valuable support to the Foundation.

A legacy gift can be made in honor of a loved one (either living or deceased), or for milestone occasions - such as treatment completion, a birthday, a special gift or holiday gift, a major accomplishment, recuperation or retirement; or to leave a family legacy.

All these gifts are referred to as Commemorative gifts.

*Love is like a butterfly, it settles upon you when you least expect it.*

Direct donations may be given to the Pawnee Valley Community Hospital Foundation without the purchase of a brick paver. Contributions are used for new and replacement equipment, programs and services.

*The seeds of kindness that you plant today, will one day bloom in the hearts of all you touch.*
