

# 2024 CHNA Implementation Plan - Pawnee Valley Comm Hosp (KS)

## Wave #5 CHNA Health Needs Tactics Year 1 of 3 starting 7/1/24 through 06/30/25

	CHNA Health Areas of Need	T	"Specific Actions" to Address Community Health Need or "Reasons Why Hospital Will Not"	Identified "Lead"	Identified Partners	Timeframe	(Hours)	\$\$\$
1	Substance Abuse (Drugs & Alcohol)	a	Health Department has Narcan available in our office and Dr. Van Norden signed off on P&P for use. We met with The Center staff and came up with a plan to address Narcan, we also met with the hospital and I checked on how often the Larned Police Dept. does the drug take back, they are going to try and do it 2 x a year, it had been just one time a year. We also have pouches for disposal and information in our office regarding disposing of meds safely.	Center for Counseling and Pawnee County Health Dept.	Heart of Kansas, PSA Law Enforcement, Providers, Pharmacies, Home Health, SVKS Area of Aging	1 year		
	This health need is a community Social determinant, thus not part Hospital's Mission or Critical operations. Will partner with others as appropriate.	b	Cheryl Hoberecht from the Health Department is in the process of training for a Type 2 diabetes prevention program and the Health dept. educates clients on chronic disease issues as we are aware that they have issues. Cheryl took a training last year on vaping in the schools with the school staff of USD 495 and the school was able to bring in a speaker on this topic as well as Tobacco use they have now formed an in school task force that is student led. Participated in Trunk or treat event with information on health.			1 year
